

CARDUP

Let your non-card expenses fly you and **your family** to your next holiday

Introducing CardUp

Pay your large expenses traditionally made by bank transfer, cash, or cheque onto your credit card via CardUp - even if your recipients don't accept cards.

No more missing out on card rewards like **air miles, points or cash back.**

Meet Emma

She's planning a trip to Bali, Indonesia. She realised she can earn miles faster than ever by using

CARDUP

to pay her big monthly bills.

Types of payments

Emma decides to shift the following expenses onto her UOB PRVI Miles Card via CardUp:

- Mortgage loan
- Education fees
- Car loan
- Insurance
- Income tax

= S\$7,500 monthly spend

She gets to enjoy **these benefits**

She racks up more card rewards than ever before.

She only pays when the credit card bill is due.

She schedules a year's worth of payments in just a few clicks.

Time to fly to Bali

Emma earns **128,330 air miles** from putting her annual spend of **S\$90,000** on her credit card.

What she redeemed*:

Three (3) **return business** flights to Bali, Indonesia, worth **S\$4,005**

Using 126,000 air miles at just **S\$1,665²** in CardUp Fees

= Total savings: S\$2,379 (59% off)

Air miles remaining: **2,330 air miles** (which she saves for her next big trip!)

Emma made her friends jealous (and saved even more!)

Emma told her friends about her business class trip and shared her CardUp referral code. They got to try CardUp for free and Emma enjoyed zero fees on her next bills.

Now it's your turn!

Start your flight-saving adventures today by putting these expenses on CardUp

Education fees

Mortgage loan

Rent

Car loan

Income tax

Insurance

... and more!

Let your expenses earn you the rewards you deserve. Try CardUp for free:
